FROM THE DIRECTOR’S OFFICE...

Dear Athletic Training Community,

What a great year! Our students, faculty, adjuncts, and preceptors have worked hard to create new and meaningful experiences. An emergency simulation kicked off last year when junior, senior and graduate students worked with Madison Fire Department Paramedics to implement their life saving skills. It was a fantastic day, and the experience received great news press including a TV spot on Toledo news!

The Athletic Training Student Organization put on the inaugural AT Student Symposium. Local professionals attended and were able to earn continuing education credits while learning about a variety of topics relating to athletic training. What a great way for the students to make a difference in the community!

I couldn’t get through a newsletter without talking about accreditation! The staff and faculty are preparing for our re-accreditation site visit in November. This is a very important step for the continued success of our program. I truly appreciate all of the help everyone continues to provide.

As you will see in the pages to come, the 2014/2015 year was packed full of wonderful experiences, peer reviewed publications, marriages and babies! We are so proud of our community and the personal and professional successes you all continue to have.

Dr. Tina Claiborne, Program Director

Everyone had fun at the End of the Year Party!
Best of Luck to our Graduate Students!
The Athletic Training Student Organization (ATSO) exists for Athletic Training students to coordinate activities and support each other throughout the school year.

The ATSO held its first annual Symposium on March 22. Funds raised from the cost of admission will benefit future ATSO educational opportunities. Speakers included Darryl Conway - “Airway Access in Helmeted Sports: A Paradigm Shift”; Karen Liberi - “Pelvic Pain and Urinary Incontinence in Female Athletes”; and Alum Alyse Exelby ('12) - “Physician Extender”.

ATSO members are currently working on plans for the 2nd Annual ATSO Symposium in the Spring of 2016.

Look for ATSO fundraising opportunities to help our students attend professional meetings like the NATA Symposium, MATS and GLATA conferences and social events.

Contact ATSO President Brigette Cameron or any ATSO member for more information!
Adrian College Athletic Training Alumni, current students and staff attended the National Athletic Trainers’ Association Symposium in St. Louis, Missouri in June 2015. Everyone got together for some fun at Hannigan’s while there. The social was sponsored by the Adrian College Alumni Association.

ALUMNI SPOTLIGHT

Brad Smith, Class of 2013 and 2014, is currently in his second year working at Berea College in Kentucky. During his time there he has had the opportunity to work under the 2010 Kentucky Collegiate Athletic Trainer of the Year, Sandy Williams. He has also had the privilege of working alongside NATA Hall of Fame member Keith Webster. Brad is also serving as a preceptor for students from Eastern Kentucky University.

Brad shared the two major things that stand out from his time in the AC AT Program: 1) learning how to think critically and 2) mentoring younger students within the profession.

ANNUAL ATHLETIC TRAINING AWARDS

Emily Borup won the 2015 Outstanding Senior in Athletic Training Award. She is pictured with Dr. Tina Claiborne at the Senior Awards Dinner.

The Athletic Training Student of the Year Award was presented to Spencer Dennison.

The Rising Star Award was given to Nicholas Goettel.

The ATSO Member of the Year Award was presented to Sarah Engle.

The Preceptor of the Year Award was given to Suzanne Harmon.

GRADUATES PUBLISHED

Jake Ladd wrote an article titled “Adrian College Adds AT to Press Box for Better Injury Spotting” and it was published in the April 2015 edition of the National Athletic Trainers’ Association Newsletter.

Brad Smith’s thesis research titled, “Ankle Bracing Decreases Vertical Jump Height and Alters Lower Extremity Kinematics” has been accepted for publication in the International Journal of Athletic Therapy and Training.

EMERGENCY SIMULATION

On November 21, 2014 Athletic Training students were surprised with an Emergency Simulation on the Football Field. Two players were lying on the field hurt and athletic training students rushed to their aid. The Madison Township Fire Department Ambulance and emergency personnel were called to the scene and assisted the students with care of the players. While that was happening a spectator in the stands experienced a simulated emergency. Athletic training students came to aid the spectator. The simulation was covered by the local newspaper, The Daily Telegram, and TV station WTOL Channel 11 News sent a crew. The simulation was featured on Channel 11 news that evening.
