Adrian College first determined those students who were eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 (not all students were eligible). The specific grant amount disbursed then considered factors including, but not limited to, each student's individual cost of attendance for spring semester 2020, including institutional aid grants and scholarships. Funds were then allocated proportionately as a grant to students for expenses related to disruption of campus operations due to coronavirus.
