Notes for Final Exam Week:

1. No tests or exams should be given during the last 3 calendar days of regular semester.
 - Exceptions should be communicated by the faculty to the Academic Dean.
2. Laboratory classes only will be permitted to give exams in the last week of classes during the regular class time.
3. All final examinations are limited to a maximum of two hours.
4. Classes with starting times other than the above should schedule exams in the block as close as possible to where the starting time occurs. Faculty shall communicate time to students.
5. Classes regularly scheduled for 6 PM or later should have the final exam in the regular classroom and at the normally scheduled class hour.
6. Classes which meet more than one night are to be examined on the first meeting night of Final Exam Week.
7. Students and faculty should report any deviations from the Final Examination Schedule to the Academic Dean.
