Notes for Final Exam Week:

1. No tests or exams should be given during the last 3 calendar days of regular semester.
 - Exceptions should be communicated by the faculty to the Academic Dean.
2. Laboratory classes only will be permitted to give exams in the last week of classes during the regular class time.
3. All final examinations are limited to a maximum of two hours.
4. Classes with starting times other than the above should utilize the open session on Thursday morning.
5. Classes which meet more than one night are to be examined on the first meeting night of Final Exam Week.
6. Students and faculty should report any deviations from the Final Examination Schedule to the Academic Dean.

Note: Final grades for all Graduate level courses are due on Friday of Final Exam week.
