

Public Update on Upcoming Changes to US-223

November 17, 2016 at 6:00 p.m.
Adrian College - Knight Auditorium

Adrian College and the City of Adrian are proposing to construct a new access road from the current stoplight on US-223 to the corner of Charles Street and Michigan Avenue. This public outreach is part of The Michigan Department of Transportation and The Federal Highway Administration's process regarding the new road to connect to US-223.

- College will pay to construct it as well as any studies required
- College will maintain it once constructed
- Allow for easy access to campus
- Limit neighborhood wayfinding
